Restorative + Care

Sub-Acute Rehabilitation

The Rehabilitation Program at Allegra Nursing and Rehab is designed to restore patients to their healthy selves as quickly as possible. Our dedicated Sub Acute unit is located in a newly renovated wing, with private rooms. We assist patients in recovering from illness or surgery, with full regimen of therapy services. Physical, Occupational and Speech Therapy are offered seven days a week, within our physical and occupational therapy rooms. Each room is fully equipped with state of the art equipment to help our patients recover faster.

Our expert team of therapists utilizes the latest rehabilitation techniques to create an individualized care plan for each patient. When you're ready to go home, our caring staff will guide you every step of the way, with comprehensive discharge planning and post discharge follow up.

Community + Care

The owners and operators of Allegra Nursing and Rehab live here too. As members of the community, we appreciate that we are serving our friends and neighbors. We walk the floors, visit with patients, talk to families and assist staff with meeting patient's needs. Our hands-on management approach keeps us in touch with every patient's experience. We ensure that each patient is treated with respect and dignity, and there is always someone to talk to, should any concerns arise.
